be held again in Rutland. The Business Men's Protective association is corres ponding with members of the firemen's organization to that end. About \$500 is still necessary for prizes.

The directors of the valley fair at Brattleboro will not allow any speak-ing on political topics at the fair this week. They feel that it would interfere with the racing and get the horsemen at odds with the association.

Williston Samuel Hough, a native of and dean of the Teachers' college of George Washington university, died Thursday at his home in Washington following a brief illness with stomach

Louis Guetti, a former resident of Readsboro, was killed recently while on his way to work in Athol. He was struck by an engine at a crossing and state in the union, that does not make his body cut into three pieces. burial took place in Readsboro.

J. D. Whittier, who has been superin tendent of the schools of Putney, Dum-merston, West Brattleboro and Vernon, has accepted the superintendency of the schools of Shaftsbury, Arlington and Sandgate, and will assume his new du- and everybody is satisfied.

W. L. Sylvester of West Brattleboro lost the ends of the two middle fingers on his right hand last week while cutting ensilage. He was reaching down to get the stick which he had dropped, which he used for pushing the corn away as he cut it, and his right hand was caught in the gear.

Edgar D. Sanders of Brattleboro met with painful and peculiar injuries recently while on his way to Springfield, Mass. Mr. Sanders was sitting in the smoking car and as a freight train on the northbound track passed the passenger train a hasp, used to fasten a freight car door, crashed into the car in which he was sitting, striking him ir the face. The flesh was cut badly with pieces of the glass and by the iron and farm I will sell at public auc- fragments of glass lodged in his left eye. The glass was removed by a phytion at my place on the West sician and he will not lose the sight of

A Westminster woman, who, with her husband, was working at the canning factory and boarding in Walpole, was so overcome by the gas in the soldering room one day last week that she became erazed and rushed down the track to the underpass near Westminster station, throwing herself on the rails in such a position that instant death would have been the result had she not been rescued from the oncoming train. She was mentally in such condition from the was mentally in such condition from the poison inhaled that it was difficult to sept 25-oct 2-9 calm her. She was taken to her boarding place in Walpole and is now reported as better.

According to a letter received from him by President Benton of the U. V Administrator's Sale M., A. L. Gutterson, who came so near breaking the world's record for the broad jump at the Olympic games at Stockholm, snapped a tendon in one leg while jumping at amateur contests in Boston, which will make it impossible for him to ever enter such contests again. Gutterson took first place in the broad jump at Stockholm and made a Williamstown, weight 1,150 pounds; pair In the Settlement of a Large Estate, I new Olympic record and came within a quarter of an inch of making a new world's record. He was intending to compete in the meet at Pittsburg and to attempt to make a new world's record, after which he intended to give up track

Practically all the buildings on the following described real estate, being Worthy G. Worden were burned Sept. 13. farm in Guilford owned and occupied by including the main house, ell, two sheds, woodshed, main barn and corn house, also five grade cows, a registered bull, One heavy 2-horse lumber wagon, I bly divided into tillage, pasture and a young bull, one hog, 50 to 60 chickens, woodland. Fields are smooth, machine all of this year's crop of hay, 40 bushels mowed and in fine state of cultivation, of potatoes, 100 bushels of oats, threshed wagons and buggies. A lot of new and excellent, well-water pastures. Plenty that day, 25 bushels of barley, a quan-second-hand single and double work and of hard wood, with 75 M, of soft wood tity of maple syrup, five harnesses, two drive harnesses, whips, halters, robes, timber. A large sugar orchard, and two traverse sleds, sleighs, a nearly new blankets, etc. A great big early fall money-making fruit orchards. Never-separator, wagons and other farm tools, sale, Bring in what you want to sell failing spring water at house and barn. Two horses were saved, also one cow, and if you wish to purchase or not be Also a good well.
